SUMMARY

- Dedicated Frontend Web Developer with a strong drive for designing and building responsive websites/webpages with the use of HTML, CSS, Tailwind, Bootstrap, and the knowledge of programming languages such as Javascript, and React.
- Certified Virtual Assistant skilled in performing various office tasks in a progressive organization where innovation, creativity, and growth is encouraged.
- A fast learner who is adaptable, resilient, resourceful, and goal-driven.
- Collaborated with a team of diverse creatives in the Africa Agility Girl's In Tech Training to build a website for children with learning disabilities (dyslexia and dyscalculia).
- Graduated from the ALX Virtual Assistant Training Program and awarded a certificate of Honors.

EDUCATION

Imo State University – Owerri   **January 2016 – September 2019**
Bachelor of Library and Information Science (BLS) - Second Class Honors Upper Division

WORK EXPERIENCE

Frontend Developer   **January 2023 - December 2023**
DataZealy Communications — Lagos, Nigeria
- Developed responsive websites that work across desktops, tablets, and 20+ other devices using HTML, CSS, JavaScript, and React.
- Actively contributed to open-source projects on GitHub, showcasing coding expertise and collaboration skills.
- Participated in tech meetups, workshops, and hackathons to stay updated with the latest tech trends.
- Conducted code reviews, testing, and debugging to ensure high-quality code and optimized performance.

Class Teacher (NYSC)   **July 2021 - June 2022**
Community Secondary School– Ekeremor, Bayelsa
- Managed the diverse ability levels of students. Assessed and recorded students' development while identifying problem areas which needed attention and improvement.
- Maintained order and discipline among students while promoting safety and compliance with the school rules and guidelines.

Customer Service Representative   **January 2020 - December 2020**
Genius Consult – Ikeja, Lagos
- Processed orders for a product/service, followed up and ensured that customers received what has been paid for as at when due and this improved the company's client base.
- Communicated with customers physically and electronically, answering and providing solutions to their concerns/complaints.

Library Assistant (Intern)   **October 2018 - January 2019**
National Library– Owerri, lmo State
- Inspected the condition of books before and after check-out to ascertain any damage on behalf of the customer and assisted library users in the location of information materials within the library.
- Cataloged new books on arrival, kept record of books taken out and books brought back, and shelved them by categorization for easy retrieval.
